*Board Comments:*

*Vice President Ryan would like details on the food trucks locations and times that they are allowed around the school grounds. Is it a State and Federal Regulation or regulation at the school site level?*

*Member Pritchett, thanks team for their hard work and efforts but is still unclear on what was created by the Policy Committee or State and Federal Regulation.*

*Member Cochrane agrees with 90% of the policy. Can there be an amendment? Does not want to push forward a Board Policy that is not clean.*

*Member Minnick thank you for clean presentation.*

*Student Member Nguyen, thank you for time and effort. Concerned about fundraisers. As a student a lot of money is earned from fundraisers. Would appreciate further conversations about healthy but high school friendly fundraisers.*

*Member Woo concerned about the food used for pedagogical purposes and outside vendors. Suggests motion to approve wellness with exception of the second bullet on page 11 regarding outside vendor carts. Would like to remove second bullet and bring back to committee for further study and come back with a more solid policy regarding vending carts.*

*Member Woo motion to Approve with an amendment made to page 11, under "Vending", second bullet. It will state "Unlicensed" before "outside vendor".*
