RESOLUTION OF DETERMINATION FOR TIE-BREAKING CRITERIA

Pursuant to provisions of Education Code section 44955, the Board of Education is required to determine the District needs should it become necessary to determine the order of termination for employees who first rendered paid service to the District on the same day.

For the 2015-2016 school year only, to meet the requirements of section 44955, the Board of Education determines the needs of the District and the students by establishing the following tie-breaking criteria:

The following rating system shall be applied in determining the order of termination of certificated employees:

Category I – Professional Preparation

- (1) Each single subject, multiple subject or service credential3 points per credential
- (2) Each supplemental or subject matter authorization1 point per authorization
- (3) Each limited assignment permit ½ point per permit
- (4) Doctorate degree held1 point per degree held
- (5) Masters degree held1 point per degree held
- (6) National Board certification1 point for certification

If there is still a tie after applying the above criteria, then Category II will be utilized.

Category II – Lottery

In the event that employees with common dates of hire have equal qualifications based on application of the above criteria, the District will then break ties by utilizing a lottery.
