Philosophy, Goals, Objectives and Comprehensive Plans

The Governing Board encourages district employees, students, parents/guardians and other members of the school community to develop school plans designed to meet the specific needs at individual school sites. The Board may approve or disapprove school plans as necessary in order to fulfill the district's mission, accomplish the Board's adopted goals and/or comply with legal requirements.

The Superintendent or designee shall ensure that schools provide for participation in state-funded school-based programs by establishing and maintaining a school site council in secondary schools as required by law.
