Dear Mr. Fisher,

This follows my [letters to you of January 14 and 22, February 19, and April 8, 2021](#) requesting a meeting between SCTA and the District to discuss District-wide assessments following the January 11, 2021 decision by Arbitrator Carol Vendrillo. As you know, Arbitrator Vendrillo found enforceable an agreement between the District and SCTA (“[Testing MOU](#)”) signed by my predecessor, Superintendent Banda, on November 30, 2016, that required the District to obtain agreement from SCTA prior to implementing any “District initiated/District-wide” assessments of our students.

In your January 12 email, you also indicated that SCTA will agree to allow the District to proceed with administering the PSAT, SAT, Advanced Placement (AP) Exams, and the 1<sup>st</sup> and 3<sup>rd</sup> Gifted and Talented Education (GATE) assessments for the current school year, provided we work with SCTA to address the challenges presented with administering these assessments while our students remain in a distance learning model.

Following your email, the District agreed to put a pause on those District-wide assessments that are not listed above or agreed to between SCTA and the District. The District agreed to put a pause on District-wide assessments with the expectation that we would convene the Assessments Committee and meet with SCTA to discuss these wide Assessments for students in the 2021-2022 school year. The District offered a
