SUBJECT: Student Suicide Prevention: 2023-24

Jasjit Singh
2nd Vice President
Trustee Area 2

Today's students face increasing pressures, including the ongoing realities of the COVID-19 pandemic, that can lead to emotional distress, depression, anxiety, and even thoughts of suicide. As educators, we can help mitigate these mental health risks and save lives by learning how to recognize signs of emotional distress, warning signs for suicide, and how to help students access supports.

SCUSD has adopted Kognito, an online role-play simulation to help us recognize the signs of distress, use conversations to approach, understand and discuss our concerns and refer parents/students to the appropriate resources. The Kognito simulations let you practice these challenging conversations at your own pace through role-play with an emotionally responsive virtual student or parent.

In order to access the online Kognito simulations follow the directions below.

Step 1: Visit SCUSD.Kognito.com

Step 2: Log in or create a new account

Step 3: Scroll down the list of Kognito modules. Select one of the ~~the~~ modules elementary, middle school, or high school then hit the "LAUNCH" button to begin the module. You may start and stop the simulation anytime and will be able to pick back up where you stopped.

Step 4: Complete the ending evaluation, which will automatically generate your
