

A

What may be served & sold on campus?

When are these regulations in effect?

May students or teachers bring food items to school to sell to or share with other students?

May I still bring treats for the class on my child's birthday or general classroom celebration?

allergies in my child's class?

Do these rules apply to student lunches brought from home?

May our parent group sell cookie dough (or other non-compliant foods sales) through catalog or social media?

What's the consequence for non-compliance?
